The purpose of collecting this information is to provide basic information from which potential liability can be assessed for VA to recover the cost of care from the liable party instead of the American taxpayer and Veteran paying for the care. Failure to provide any or all of the requested information may delay or result in VA's inability to create accident-related billing, assert a claim for reimbursement, and assist the Veteran in their personal injury or workers compensation claim. Without a third party paying for the care, the Veteran may owe VA copayments. Information on this form will become part of a system of records which complies with the Privacy Act of 1974. This system is identified as "Revenue Program Billing and Collections Records-VA (114VA16)" as set forth in the Compilation of Privacy Act Issuances via online GPO access. Assurances of privacy for information on this form which is covered under 38 USC 7332 are contained within that statute.
